I'll see if he has time Friday (though I actually just met with him on this 2 weeks ago).

OpEd is about the post-ANPR Action Plan. OPA has a draft. The only reason I suggested we do an OpEd was to make the statement about the need for WQCP to proceed in tandem with BDCP. Board has gotten lots of pressure to delay. (This is what Mary, Tom and I discussed with him May 17.)

Jared would like a briefing soon, very soon, on ANPR follow up. He also asks:  
Is the OpEd related to release of the ANPR? To give emphasis to the St Bd's hearing?  
Pls schedule wi Teddy and Abi. It may not be realistic, but he asks for "this week". Thx, A
